The Bookstore doesn't have any books for this class. That will save you some money. Here is a description of the books we use, and links to help you purchase them.

Introduction to Social Work books.

Here are the books you will need:

Days in the Lives of Social Workers edited by Linda May Grobman, 978-1929109845. Note that there is a new 5th edition released very recently. You may purchase and read either the 4th edition published in 2014 or the new 5th edition of 2019. Almost all test questions based on this book reflect content that is in both the 4th and 5th editions. I estimate the total reading time for this book will be about 13 hours.

Known to Social Services by Freya Barrington, 978-9995782870. I estimate the typical reading time for this book will be 8 hours. Cost is about \$32.

Why Are They Angry With Us? By Larry E. Davis. 978-0190615871. It should be possible to read this entire book (150 pages) in 5 hours.

The Boy They Tried to Hide by Shane Dunphy, 978-1473632455. I know that the unabridged audio version of this fictionalized memoir has a duration of 6 hours and 30 minutes.

Turning Stones by Marc Parent, 978-0449912355. I estimate it will take the typical student 11 hours to read this memoir.

The first book we read in the Introduction to Social Work course is **Known to Social Services** by Freya Barrington. The bookstore at UIS never seems to have sufficient supplies of this book. Therefore, I will share information about other ways to acquire this book:

If you are willing to shop on Amazon, you can get this in Kindle for \$9.99, or get a new paperback for \$19.99, or get used copies for \$30.18 or \$30.16.

https://www.amazon.com/Known-Social-Services-Freya-Barrington/dp/9995782871

As an alternative, Abe Books has used copies for \$25.02, \$24.05, \$32.15, and \$32.16, and \$32.17 (I'm including the cost of shipping; many of these would be shipped from the UK)

https://www.abebooks.com/servlet/SearchResults? kn=Known%20to%20Social%20Services%20Freya%20Barrington&sts=t&cm\_sp=SearchF-\_-topnav-\_-Results&ds=20\_

With Barnes and Noble, the book is available for NOOK (eBook) for \$9.99.

https://www.barnesandnoble.com/s/Freya%20Barrington

You could also purchase directly from the publisher, and pay €13 for it (plus €22 for international shipping, so about \$40 total if you use PayPal or use a credit card with no fees for purchases in foreign currencies).

Log into the library (<u>library.uis.edu</u>) and look for the book with the I-Share libraries. There are six copies in the I-Share network, and you can request one to be sent to our library, and check it out for a couple weeks.
